

## **Our Wedding Prayer**

Together. Together.  
As we start on our life together,  
Oh Lord, be at our side,  
act as our guide now and forever.

Give strength to us in time of trouble  
and joy when life's going our way.  
Let our love grow, so our lives may show  
what loving truly means each day.

We thank you for our family and friends,  
those here and those far away.  
We pray that we may always draw strength  
from the love we've been shown here today.

At the start of our adventure,  
Father, look down from above  
and grant us always a love of life  
and a life of love.

We'll help each other always,  
we'll give and take and share,  
but this kind of love will be easy with you there.  
We may not know what tomorrow will bring,  
but we'll face ev'ry thing together.

Together. As we start on our life together,  
give us peace in our minds and hope in our hearts,  
give us faith in ourselves and in you.  
Give us love as we start on our new life together  
with you.
